CUNNINGHAM, INC. EARNS ABC NATIONAL SAFETY DESIGNATION

WAUKEE – Associated Builders and Contractors (ABC) of Iowa announced that Cunningham, Inc. has achieved the gold level of ABC’s Safety Training and Evaluation Process (STEP) program.

“ABC’s goal is to send each worker home safely to his or her family at the end of the day,” said ABC National President and CEO Michael D. Bellaman. “Cunningham, Inc. has proven its dedication to that goal by using the STEP program to evaluate and build upon their safety initiatives in order to truly become safety leaders for the industry. I am proud to recognize Cunningham, Inc. for their ongoing commitment to creating the safest work environment possible for their employees.”

STEP was established in 1989 by the ABC National Environment, Health & Safety Committee to assist ABC member contractors in evaluating and improving corporate safety practices and recognize outstanding safety training efforts. STEP awards are presented annually in six categories: Participant, Bronze, Silver, Gold, Platinum and Diamond. Each year, more than 2,000 contractors of various sizes participate in the STEP program.
